Encamp / Encamp

Vila Exclusive brings together new-build townhouses in Encamp, with a private garden, garage and open views of the mountains of Andorra.

The homes step down the hillside among pines and meadows. Façades of stone and timber slats, with glazed balconies on every floor, open the houses up to the light and the valley.

The living area is a single open-plan space: an open kitchen with island, a dining area and a living room with fireplace, all on pale wood floors. A stone staircase with a glass balustrade connects the floors.

The bedrooms have fitted wardrobes and floor-to-ceiling windows looking out onto the forest. The bathrooms combine warm tones and walk-in showers, with a double washbasin in one of them. Under the roof, a room with a sloping ceiling and outdoor access works as a study or a second sitting room.

Outside, each house has a terrace and garden for dining al fresco facing the mountains, plus a garage on the ground floor.

The development is in a well-connected area, with schools, supermarkets, medical centres and leisure facilities a few minutes away, and nature right on the doorstep.

Phase 1 is sold out. You can now join the waiting list for phase 2.
