La Dreta de l'Eixample / Barcelona

Durán Carasso presents this luminous and stately gem located on a high floor in the Dreta de l'Eixample area.

Situated on one of the district's most iconic streets, this elegant apartment is part of a modernist building from 1890 that retains all the splendor of the period's architecture and great heritage value.

Located on a real third floor of a building with an elevator, the property offers a built surface of 148 m², distributed into 138 m² of main living space plus 10 m² of an interior gazebo adjoining the living room — ideal as a reading nook or relaxation area.

Thanks to its double orientation —mainly facing south—, the apartment enjoys exceptional natural light and cross ventilation, ensuring a fresh, bright, and comfortable atmosphere all year round.

Upon entering the apartment, on the left-hand side, we find two double bedrooms with exterior access and southern exposure. All bedrooms include built-in wardrobes, exterior carpentry, and...

The location is simply unbeatable: surrounded by select shops, services, renowned restaurants, cultural centers, and perfectly connected to the rest of the city via public transportation.

A unique opportunity for those who appreciate the charm of classical architecture, spacious interiors, and high quality of life in one of Barcelona's most sought-after areas.
