Sant Gervasi - Galvany / Barcelona

Durán Carasso presents this splendid and stately apartment, truly unique in the coveted area of Turó Park, offering 500 m² of living space in an elegant building dating back to 1956.

The grand entrance features a double door and leads to an impressive living area with a dining room and a refined library. From these spaces, one accesses a beautiful terrace overlooking the green and peaceful Turó Park — one of the most luxurious and emblematic neighborhoods in Barcelona.

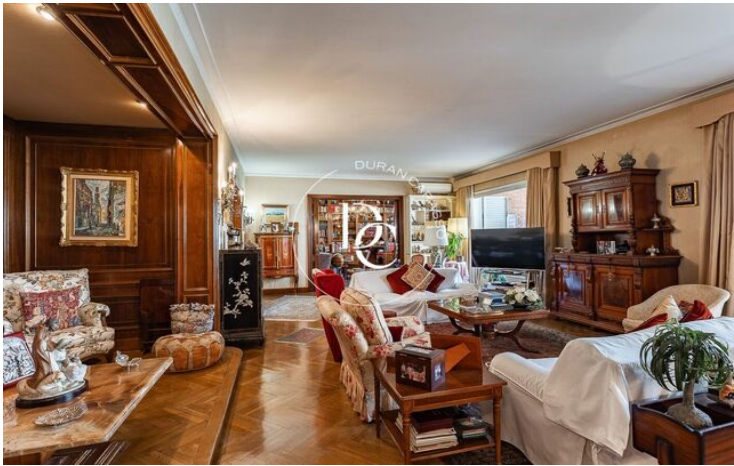

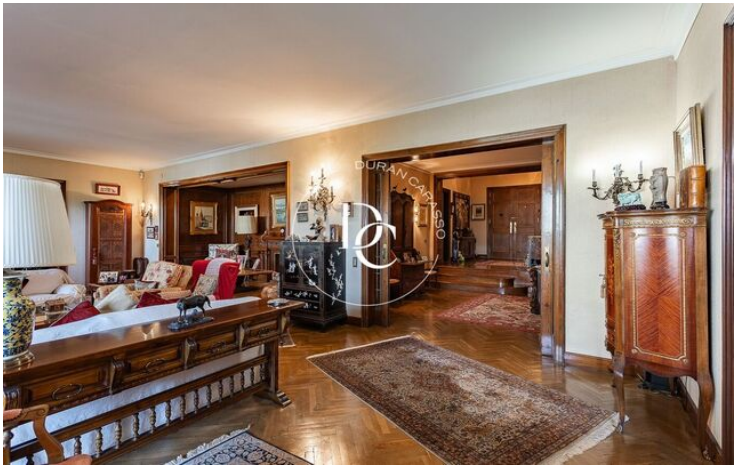

The home is clearly divided into day and night areas. The day area includes a large hall with fitted wardrobes and a cloakroom, a guest toilet, a spacious and fully equipped kitchen with an office area, laundry room, and a service area with two auxiliary rooms.

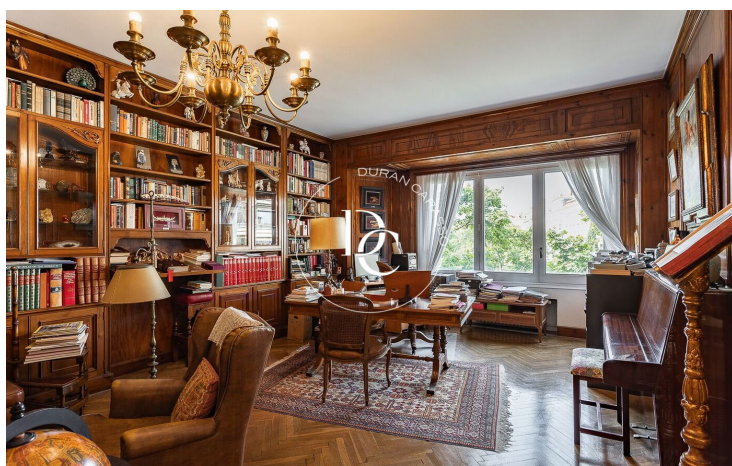

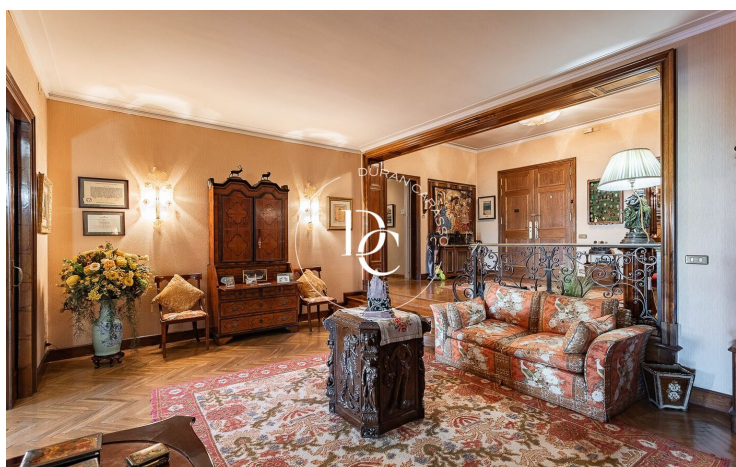

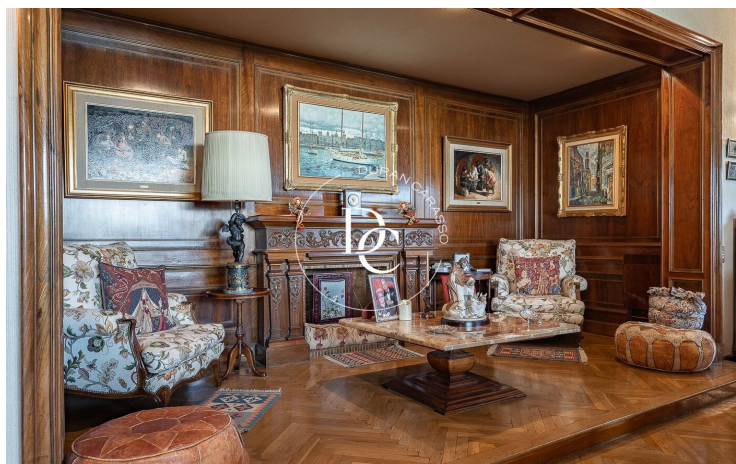

In the night area, a generous hallway leads to the master suite, which includes a bright and spacious bedroom with access to a charming private terrace, a walk-in wardrobe, and a complete bathroom. Additionally, there are two more en-suite bedrooms with built-in wardrobes and two further double bedrooms with ample storage.

The building offers concierge service and two parking spaces in the same property, equipped with electric car charging points. It is a truly elegant and stately building that reflects the prestige and charm of its surroundings.

Turó Park is a historical neighborhood, full of green spaces, with top-tier services, fine dining, and luxury shops.
