Durán Carasso presents Luminia, a new residential development located at Carrer Andalusia 44 in Les Roquetes del Garraf, within Sant Pere de Ribes, just a 20-minute walk from Vilanova i la Geltrú.

The project consists of 17 homes designed for everyday comfort, featuring energy efficiency rating A, aerothermal climate systems and high-quality insulation for thermal and acoustic performance.

Kitchens come fully equipped with Silestone countertops and Teka appliances. Homes also include fiber optic connection and video intercom systems. Bathrooms feature fittings by Roca.

The development offers a variety of layouts, including ground floors with private gardens, apartments with balconies and duplex penthouses with solariums. All units are designed to maximize natural light and functionality.

Prices start from €195,000, with parking spaces available from €12,500. Completion is scheduled for Q1 2028.

Designed by Padrós Valls Arquitectes, the project features clean, contemporary architecture focused on comfort and usability.

A great opportunity to acquire a newly built home in a well-connected and growing area.
