Els Jardins de Pecher – The exclusivity of living in harmony

We present a unique promotion of only 4 townhouses in Sant Feliu de Guíxols, designed for those who value comfort, light and the natural environment.

With top quality finishes, careful design and spacious and bright spaces, these homes are much more than a home: they are a refuge between sea and mountain.

Unbeatable location: just 14 minutes walk from the sea and without any slope, surrounded by nature and with guaranteed views of the Cadiretes massif, in front of a non-buildable agricultural space that preserves your privacy and the views forever.

Each house has 4 double bedrooms, private garden and terrace, and parking space.

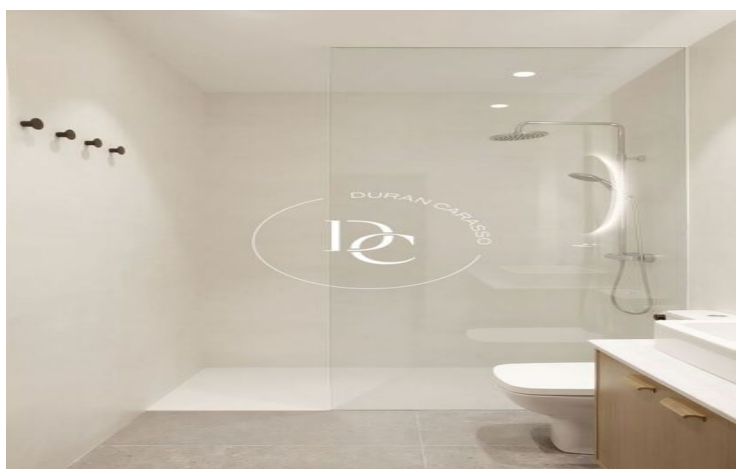

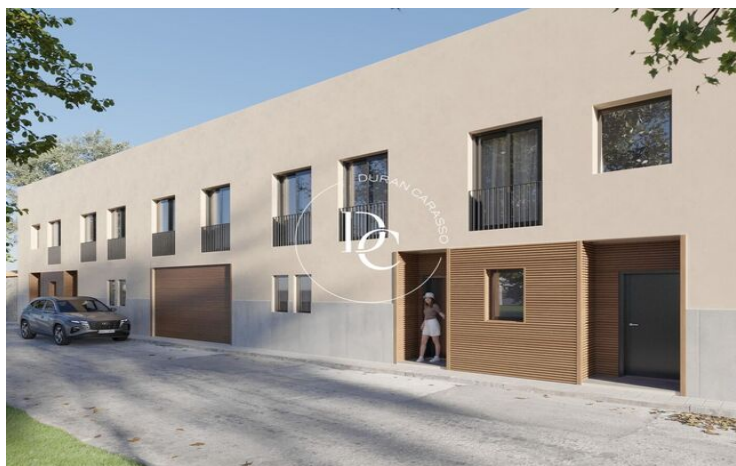

In addition, they are located close to the center, schools and sports facilities, so that you have everything close at hand without giving up peace and quiet.

A space designed to live well, breathe deeply and feel at home from day one.

Discover Els Jardins de Pecher... and begin a new stage full of light, nature and quality of life
