Sant Llorenç / Sant Joan de Llabritja

Located in the peaceful surroundings of San Lorenzo, in the north of Ibiza, this unique property offers an unparalleled experience of countryside living on the island. Surrounded by nature, peace and privacy, the house was designed by the prestigious Blakstad studio, renowned for its mastery in blending Ibiza's traditional architecture with contemporary lines and elegant details.

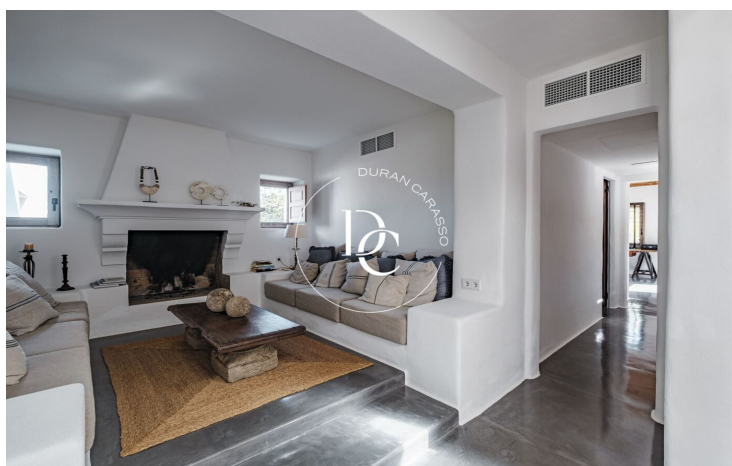

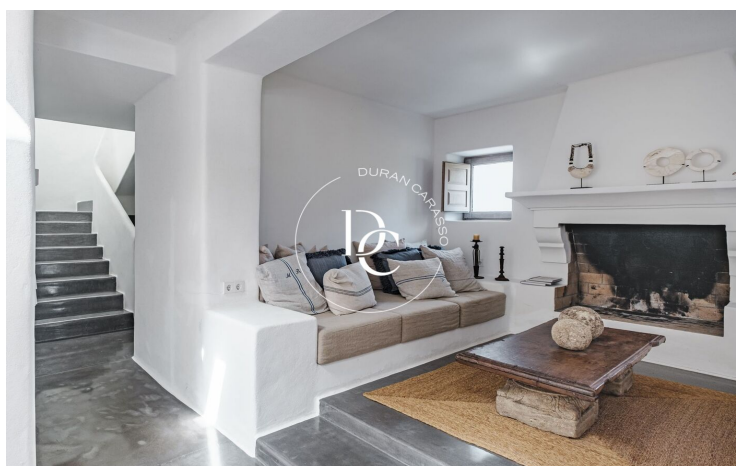

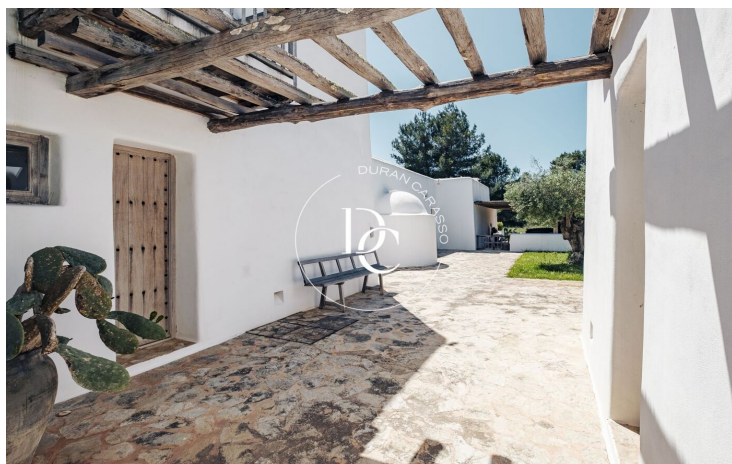

The interiors have been carefully crafted by Azul Tierra, the acclaimed interior design firm led by Toni Espuch, bringing a sophisticated and warm style using noble materials, unique pieces and an aesthetic sensitivity that perfectly complements the house and its surroundings.

The home radiates authenticity and serenity, with spacious, light-filled rooms that open up to the surrounding rural landscape. Outside, a magnificent pool invites relaxation, surrounded by manicured gardens, fruit trees, and cozy corners ideal for enjoying the sun, the shade, or a starry night.

This property is more than a home – it is a livable work of art that captures the purest essence of Ibiza: its natural beauty, its light, and its soulful architecture.

Perfect for those seeking a residence with character, design, nature, and privacy in one of the island's most special settings.
