

Durán Carasso

An aerial photograph of a rural area. A dirt road runs diagonally across the frame. To the right, there is a cluster of buildings, including a prominent modern house with a large blue-tiled roof and a swimming pool. The surrounding terrain is a mix of dry, brownish ground and green vegetation, with several large trees and bushes. The overall scene is a mix of natural and developed land.

Urban plot in Sitges

We present to you a plot located in the residential area of Sitges, Can Girona, considered one of the most peaceful residential zones in the town. The plot measures 1,300 m² and allows for the construction of a single-family home in one of the most beautiful natural settings in the town, in the eastern part of Sitges, surrounded by forest, with views of the sea and Terramar Golf Course, one of the Biosphere-certified golf courses. Just minutes from the center of Sitges and the beaches, with good connections to neighboring towns, El Prat Airport, the C-32 motorway, and the city of Barcelona. The plot to be divided is approximately 1,300 square meters and we comply with urban planning regulations. Allows the construction of a detached single-family home. Urban planning characteristic...
