Can Pei / Sitges

Located in one of the most peaceful residential areas of Sitges, this top-floor apartment offers 105 m² of usable space and two spacious terraces — one facing south with sea views, and the other facing north, perfect for enjoying both sun and shade throughout the day.

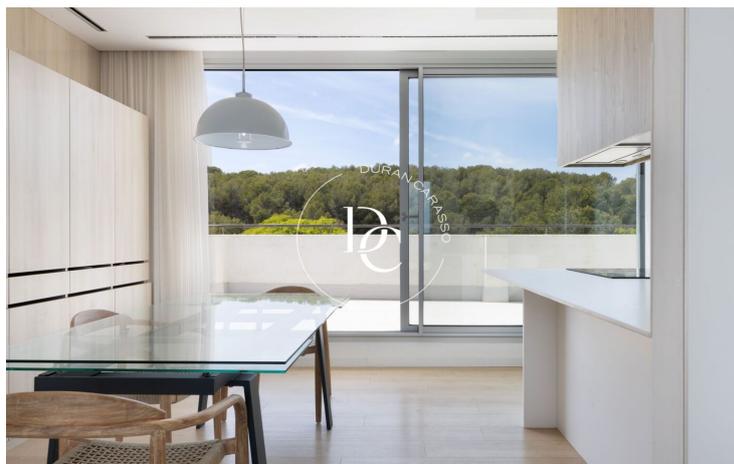

The layout is all on one level and very comfortable. The large living-dining room opens directly onto both terraces, providing excellent natural light and cross ventilation. The kitchen is independent and fully equipped.

The sleeping area includes three double bedrooms, two of which have direct access to the south-facing terrace. The main bedroom has an en-suite bathroom, and there is a second full bathroom for the remaining rooms.

The property includes a parking space, a private storage room, and access to a communal area with a swimming pool.

A functional, exterior-facing home, well connected to Sitges' main services and schools.
